## Grant Writing 101 Workshop

Wednesday, February 22, 2017

Ravine Room, Gallagher Centre, 455 West Broadway Street, Yorkton

24 Spaces Available, Advanced Registration Only

5:30 pm - 9:00 pm

### Workshop Summary

This workshop begins with an overview of grant basics including understanding project descriptions and writing budgets. The main focus is an in depth look at how grants are adjudicated (or selected) by having workshop participants play the role of a selection jury, who must assess the applications based on a fictional provincial funding program. Participants gain an understanding of how funding applications are received and assessed by using a common adjudication model.

Supper and Introductions will take place at 5:30 p.m. with the Workshop starting at 6:00 p.m. sharp.  
Mileage can be claimed for one vehicle per community.
