

PROGRAMS & SERVICES GUIDE

Parkland Valley Sport, Culture & Recreation District

Who We Are

Parkland Valley District is one of seven (7) sport, culture and recreation districts across Saskatchewan. We use a community development approach in working with our communities and groups to assist in meeting their needs. We are members of three (3) global organizations including Sask Sport, SaskCulture and Saskatchewan Parks and Recreation Association.

Vision

Empowered, Inclusive, Healthy Communities

Mission

We engage, inspire, and develop community through sport, culture and recreation

Our Role

Parkland Valley District works alongside communities to grow strong sport, culture, and recreation opportunities. We share resources, tools, and funding opportunities to support local leaders and grassroots initiatives.

By building partnerships with organizations and individuals, we help bring innovative and accessible programming to communities across the region.

Funded by:

Partnerships & Programs

Saskatchewan Games Program

The Saskatchewan Games runs every two (2) years and is the province's largest multi-sport event. We work alongside the Saskatchewan Games Council, Host Organizing Committees and Provincial Sport Organizations to put on the Games.

District Dream Broker Program

Assists children and families in initiating and sustaining participation of youth who face barriers participating in sports, cultural, and recreational activities.

Sport Medicine and Science Council of Saskatchewan

In-person & online workshops lead by professionals in their field providing athletes, coaches and parents with valuable information.

Leadership Development

Volunteer Recognition Initiatives

Volunteers are essential to the success of community programs and events. Show your volunteers how valuable they are with one of our two programs.

Toolkits

We've created toolkits to help provide guidance and make your role as a volunteer, programmer or manager a little easier in the sport, culture and recreation sectors. Keep checking for new Toolkits as we develop them.

Activity Lending Library

This program assists communities in starting their own Activity Lending Library. We provide leisure and recreation equipment which residents can borrow at no cost.

SPRA Play Leadership

Play Leadership training provides knowledge and skills needed to plan and coordinate safe, accessible and fun play opportunities for children. Parkland Valley will cover costs associated with taking the online course.

Speakers Bureau

Our master list of speakers, facilitators and program leaders! Reach out to us if there's something specific you're looking for.

Training & Networking

Virtual and In-Person Workshops

We host a number of **FREE** diverse webinars and workshops. Visit our website to see what we have planned.

Community Gathering

Hosted biannually, this in-person gathering brings those in the recreation, sport and culture worlds together for professional development and networking opportunities.

Funding

Active Communities Grant

This grant supports communities and non-profit organizations in bringing new sport, culture, and recreation initiatives to life. It may fund completely new programs or enhancement of existing programming.

Summer Play Program Grant

This funding stream was designed to help offset expenses related to running a successful and sustainable FREE play program for children and youth in your community.

Sask Lotteries Community Grant Program (CGP)

Consultants are available to assist when applying for CGP and with the follow up process.

Indigenous Community Sport Development Grant Program (ICSDGP)

The purpose of ICSDGP is to provide greater sport participation and development for Indigenous youth in Saskatchewan.

Funded by:

Museum Network Meetings

We bring together museums within our District to network, share successes, and provide professional development opportunities.

Recreation Practitioner Networking Meetings

These meetings bring Municipal Recreation Staff together to network and share recreation trends, best practices, issues and successes.

Consulting Services

Community Visits

We want to meet with you! The outcome of a Community Visit is to increase our relationship with your group, increase our understanding of sport, recreation and culture activities in your community and better understand the needs of volunteers and practitioners. We will also work to connect you with resources you might need. Call us to book a time!

[Our Networks](#)
